

GSR Report for South Coast Unity Group Business Meeting

(To be delivered October 18, 2025)

"(Chairperson), my name is Ram B., alcoholic and your Group Service Representative. This is my report from the District 8 meeting held on October 12th.

The primary business of the meeting was the scheduled October elections for several District officer positions, as a number of trusted servants were at the end of their two-year terms.

- For the position of **DCM**, Cindee was the sole candidate and was elected for a one-year term, to complete the current rotation.
- The election for **Treasurer**, to fill the seat of Miranda whose term was ending, was a contested race. As our group had not discussed the candidates, I abstained from the vote. The committee elected Dave as the new Treasurer.
- **Radiant** was elected as the new **Grapevine Chair** after calling in to accept the nomination.

This leaves two service positions that remain vacant and in immediate need of volunteers: **Alternate DCM** and **Hotline Chair**. I will continue to ask our meeting secretaries to announce these opportunities.

During the meeting, there was a difficult discussion regarding the financial details of the District picnic, which occurred during the outgoing Treasurer's final report. The exchange became tense, which was unfortunate.

As your GSR, I believe it's important to be aware that while our District is functioning and conducting its business, there are underlying issues with communication and conflict that we should be mindful of. Our best response as a group is to continue to practice the principles in all our own affairs and to encourage our members with solid sobriety to consider stepping into these open service positions.

That concludes my report.

Ram B.
